

## Dixon Frederick

Computer Science Graduate

North Jakarta, Indonesia

I am a motivated Computer Science graduate from Universitas Indonesia and a Certified Associate Cloud Engineer. I am a quick learner eager to improve and contribute. I am capable of working alone or in teams and proficient with various programming languages and frameworks. I have experience in app development across platforms, project management, cloud computing, and problem solving.

#### Teaching Assistant • Universitas Indonesia

February 2022 - June 2024

TA for Discrete Mathematics & Intro to Comp. Organization

### Licenses & Certifications

#### Google Associate Cloud Engineer

89113794 • Issued December 2023 • Expires December 2026

<https://ristek.link/ace.dixonfrederick>

#### Menjadi Google Cloud Engineer

##### Dicoding

6RPNW6MJQP2M • Expires May 2026

#### The Bits and Bytes of Computer Networking

##### Coursera

CPAPGCEYKB7Q • Issued March 2023 • No Expiration Date

#### System Administration & IT Infrastructure Services

##### Coursera

VXS7KBEX8YNE • Issued March 2023 • No Expiration Date

### Education

Universitas Indonesia

Computer Science Major

2020 - 2024

Bangkit Academy 2023

Cloud Computing Alumni

February 2023 - July 2023

### Skills & Experiences

- Development/Management tools (Figma, Jira, draw.io, etc.)
- SQA (SonarQube, Prometheus, Grafana, Artifacts)
- Microsoft Office
- Java, Spring
